SOFICTV

The official media network for SOFIC, the premier industry event for thousands of government, military, and industry professionals of the Special Operations Forces community.

Expand your marketing reach globally and reserve your spot now to appear on SOFICTV. More than 2,000 of targeted SOF community members have viewed 2,017 sponsored videos, both during and after SOFIC. When the show is over, your message continues on SOFICTV.

YouTube.com/SOFICTV

Share your story on SOFICTV
SOFICTV is an exclusive YouTube channel that highlights the newest products and services from the SOFIC Exhibit Hall floor, conference highlights, and other related videos.

Each day, the SOFICTV Video News Team will interview participating companies to create a clip (usually one to two minutes). Clips are uploaded each evening and promoted to SOFIC attendees and speakers on the SOFICTV network.

The SOFICTV Channel Icon is displayed prominently on the SOFIC event mobile device app, available to all attendees and exhibitors.

Take advantage of this opportunity. Promote your company’s products and services year-round on YouTube.

SOFICTV news-style interview: $3,000
The SOFICTV Video News Team will conduct an in-person interview with you. This segment will highlight your products and services during SOFIC Week, and all year on SOFICTV.

Your news segment will include professional editing, uploading the video to the SOFIC website, your description with keywords, a link to your website, and a link to download a high-resolution version of your video after the event to display wherever you wish.

SOFICTV products and services promotional video: $2,500
Not exhibiting at 2020 SOFIC? Have a video of your own to show? SOFICTV has benefits for you, too.

This package provides a link to our staff to download your promotional video (up to two minutes long). Your video is then uploaded to SOFICTV before or during SOFIC Week for view during the show and all year long after. You also get a video description with keywords and a link to your website.
